MODEL

SANELE XABA

'I'm passionate about supporting education. Without it we don't learn skills or expertise'

For this campaign, Sanele is supporting Equal Education, a non-profit organisation. They identify the problems that schools face in rural and poor areas. 'I've loved working with Equal Education and I'm passionate about education. Without it, we don't learn skills or expertise,' says Sanele. Equaleducation.org.za strives towards quality and equality in education.
