GEEL OP SY BESTE

Verlede jaar was dit suurlemoengeel, maar vanjaar is mangogeel op die voorgrond. Dié geel is na aan oranje en pas by verskeie skakerings. Dis nie nodig vir blink bykomstighede of skoene nie, hou by net geel of meng dit met die ander gewilde somerkleur: beige.

MANjifiek

Die manlike voorkoms is steeds met ons. Kry die voorkoms dié winter met snyersbroeke wat op jou heupe hang, oorgroothemde, jasse en mansgeïnspireerde truie. Moenie te groot of te klein kies nie sodat jy steeds modieus en vroulik lyk

VLOOTBLOU jas
Een van die sleutelitems van die manlike voorkoms is die seisoen se gewilde vlootblou jas.

MODERNE PATRONE

Moenie nou veilig speel met jou uitrustings nie. Jy kan verskeie patrone meng en pas, selfs jou skoene hoef nie eens te pas nie! Oorweeg moderne skoene met luiperddrukwerk saam met 'n rok met 'n ander patroon.

POFMOUE IS TERUG

Moue is vanjaar indrukwekkend en kom in verskeie style - van romanties tot modern. Die grootste styl was die herlewing van die jare tagtig se pofmoue en skouers. Moenie bang wees om jou van kop tot toon in die tagtigerjare te klee nie, gaan groot!

Fyntrap

Die vroulike styl is terug, maar vanjaar is die voorkoms meer 'meisierig'. Materiale is fyner, vol tekstuur en delikate blommetjies. 'n Vars bries is dat pastelkleure die winter oral te sien is – meng dit met skakerings van rooi en grys

BAROK
Hierdie pragstuk sou ewe gemaklik op Milaan se loopplanke kon pronk in die modevertonings wat op die barokstyl gefokus het. Die kant en blinkers is kenmerkend van die barokstyl. KANTROK MET GOUE BORDUURSEL (R14 988; 32-34) GAVIN RAJAH, BLINKLEER-INGLIPSKOENE (R299) TRUWORTHS.
