The advertisement features a woman with wet skin and hair, looking thoughtfully at the camera while submerged in water. To her left is a large, semi-transparent product box for Avène Hydrance. The box is white with orange and red accents. It displays the brand name 'Avène' in a large, elegant font, followed by 'le don d'apaiser'. Below this, 'Hydrance' is written in a bold, sans-serif font. The main text on the box reads 'Recharger la peau en eau. Visiblement.' and 'INNOVATION COHEDERM™ EFFET RESERVOIR D'EAU'. At the bottom of the box, it says 'LABORATOIRES DERMATOLOGIQUES Avène PARIS Pierre Fabre Dermato-Cosmétique'. To the right of the box, a small white label with orange text says 'NOUVEAU Texture AQUA-FILM'. In the foreground, two product containers are visible: a white tube of 'Crème hydratante' and a clear glass bottle of 'Sérum réhydratant', both with white caps and labels matching the box design.
